FILE NAME 300

The diagram illustrates the components of a file name. The text 'iloveyou.txt.vbs' is centered. Above it, three labels are positioned: 'BASE NAME 302' is above 'iloveyou', 'NEXT TO LAST FILE NAME EXTENSION 304' is above '.txt', and 'LAST FILE NAME EXTENSION 306' is above '.vbs'. Brackets connect these labels to their respective parts of the file name. A large bracket below the entire string 'iloveyou.txt.vbs' is labeled 'FILE NAME 300'.
